VINYL SIDING & ACCESSORIES

The Confident Choice.®

quality Variform has been one of the largest providers of vinyl siding to builders in North America for four decades. We've earned that business by consistently delivering quality products they can trust. For your peace of mind, we stand behind every product we create with a Limited Lifetime Transferable Warranty.

beauty With the traditional styling, subtle wood grained texture and low gloss finish of Contractor's Choice®, you can be assured your home has the attractiveness you desire. Up close or far away, your home has a beautiful finish whether you are sitting on the front porch or standing on the curb.

strength With Contractor's Choice vinyl siding by Variform, your home has the look you desire without the continuous upkeep other exterior products require. Contractor's Choice vinyl siding is a solid investment for your home and provides you peace of mind for years to come.

color that lasts and lasts

From Sea to Shining Sea

From the sea coast to the forest, and everywhere in-between, Contractor's Choice stands up to a variety of weather conditions. The durable panels help protect against wind, and help keep everything you cherish safe.

- Excellent Combination of Quality and Value
- .040" Panel Thickness Provides a Superior Installed Appearance

Looks Brand New, Year After Year

With Contractor's Choice, you will not need to paint (or repair your siding) ever again. Whether you are building a new home, or just remodeling, you can look forward to a lifetime of relaxation. We stand by our commitment with a Limited Lifetime Transferable Warranty.

- Virtually Maintenance-Free
- Unlike Painted Surfaces, Solid Color Throughout the Panel Prevents Peeling, Flaking, Checking, or Cracking
- Limited Lifetime Transferable Warranty

Enjoy the Beauty of your Home

Get ready for the amazing part: your home will look great—for years to come. We know, a lot of our first-time customers can't believe it either. With our proprietary color hold technology, the color stays in the siding, minimizing scratches and fading. We think you'll love it, too.
